I used Premier Fencing to replace our entire fence. Jesse and team did a great job. Also came back months later to repair a spot where nails had come loose. I would definitely recommend them if you need a new fencing.

After shopping around, Premier was the best value and used quality wood. The end result was beautiful. Jesse was patient and kind, explained the process well. Great customer service! The crew was efficient and professional and did a good job cleaning up.

Premier did a great job with the replacement of our fence. This was the second job Premier has completed for us and completely satisfied. In total they have installed over 300 foot of fencing. I highly recommend.

Premier Fencing has done a great job for me over the years. In fact they have done my cedar wood fence at both my previous home and my current home. I wouldn't hesitate to use them again.
